STIPULATION TO EXTEND THE DISCOVERY CUT-OFF DATES

Respondent Treasure Island Corporation and Petitioner Prairie Island Indian Community hereby stipulate to extend the discovery deadlines in this case.

Although the parties have diligently pursued discovery, all discovery cannot be completed by the current discovery deadlines.¹ The parties need to take the depositions of numerous percipient witnesses, along with designating expert witnesses, producing initial and rebuttal expert witness reports and taking the depositions of expert witnesses. The parties do not believe that all discovery can be completed by the current deadlines. Accordingly, Petitioner and Respondent hereby stipulate to the following:

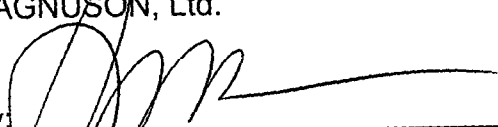

1. The parties hereby stipulate that the discovery deadline shall be extended sixty (60) days after the current discovery deadline of September 11, 2002, specifically until November 11, 2002.

¹ Petitioner and Respondent have each propounded several sets of interrogatories and requests for production of documents. In addition, both parties have taken depositions of percipient witnesses in this case.

2. The parties hereby stipulate, that the date to designate initial expert witnesses and produce the related report shall be October 1, 2002. In addition, the date to designate rebuttal experts and exchange the related report shall be November 2, 2002.
